

# Public Hearing Notification Fee Schedule Update

The City of Denton, Department of Development Services has recently adopted an ordinance which requires the applicant to cover all notification costs, **including**: mailing public hearing notices, mailing courtesy postcard notices, and publishing legal notices in the newspaper.

In addition, applicants will be required to purchase and post public hearing signs on the subject property.

The notification fee will be calculated by staff and provided to the applicant 10 days prior to the first public hearing date.

Please contact the Department of Development Services, Planning Division with any questions.
