**FIRST
QUARTER
FISCAL YEAR 20/21**

Welcome to the Statistical Trends and News of Denton (STaND) Report. The report compiles demographic, growth and economic information that is provided or tracked by various City of Denton departments. Under each chart or graph, you will find the source of the information along with a City of Denton contact e-mail address should you have any questions regarding the data.

Although the STaND Report is produced quarterly, some of the data will be updated annually. For example, population estimates are typically updated annually, and new annexations would only be changed when an annexation occurred. The most current edition is available online, www.cityofdenton.com/Business/EconomicDevelopment. Additionally, you can find the most current edition along with previous issues at www.DentonEDP.com/reports.

This report is compiled by the Economic Development Department. General questions about this report can be directed to Christina Davis, (940) 349-7730, Christina.Davis@cityofdenton.com

Did You Know?

Denton Has the Newest Cultural District in Texas

The greater Downtown Denton area is filled with art, music, history, theaters, festivals, entertainment and more. So, it's no surprise that this area was named an official cultural district by the Texas Commission on the Arts (TCA) in September. The TCA Cultural District program celebrates existing concentrations of cultural assets, clustered in walkable areas, that a city wants to promote to residents and visitors. After months of work, the City of Denton named the greater downtown area as the Original Denton District. Learn more at www.OriginalDentonDistrict.com.
