

NOTICE OF PUBLIC MEETING

February 18, 2019

The City of Denton is hosting a Community Workshop on **Monday, February 18, 2019 from 5:30 to 7:30 p.m.** in the lobby of The Hickory Building, located at 207 W Hickory Street, Denton, Texas.

This Workshop, organized by the Historic Preservation Office, will provide an opportunity for the citizens of Denton to provide ideas and input for updating the City's **Historic Preservation Plan**. The Preservation Planning process has been organized into 2-phases and this workshop is part of phase-1, State of the City. We hope to hear from the community thoughts on what historic elements make Denton, Denton. These could include people, buildings, sites, and neighborhoods in the city, anything that makes up its sense of place. We also want to hear thoughts on the desire, or not, for additional incentives for the preservation and maintenance of historic buildings and sites. During the workshop, the benefits, approaches, and meaning of historic preservation will be on display. This workshop is one of several ways that the community will be engaging in the planning process, creating strategies, and taking part in the decision-making process. After this workshop, all the exhibits will be uploaded to the project website, <https://dentonhistoricpreservationplan.com>, for comments.

Members of Denton City Council and the listed City of Denton Boards and Commissions have been invited to attend. THIS NOTICE IS POSTED IN ORDER TO MEET THE REQUIREMENTS OF THE OPEN MEETINGS ACT, IN THE EVENT THAT THE NUMBER OF CITY COUNCIL MEMBERS AND/OR BOARD AND COMMISSION MEMBERS PRESENT AT THE MEETING MAKES THE ACT APPLICABLE.
