

Monthly Inspection Table

The Monthly Inspection Table was created to provide the public with an easy guide to recap the inspections performed. Below is an explanation of the table columns.

Column Label	Data
<p>Situs (Jurisdiction)</p>	<ul style="list-style-type: none"> • CoD – Well Sites located within the City Limits of Denton • ETJ – Well Sites located within the Extra Territorial Jurisdiction
<p>Inspection Priority (Location Based) An assigned wellsite identification based on the distance to a protected use and habitable structures to aid in prioritization and frequency of inspections</p>	<ul style="list-style-type: none"> • High – Well Sites located <300 feet of a Protected Use. Inspected 2 times per year by MGS • Moderate Well Sites located greater than 300 feet to 1,000 feet from a sensitive use Protected Use. Inspected 1 time per year by MGS • Low Well Sites located greater than 1,000 feet of a Protected Use. Inspected 1 time every 2 years by MGS
<p>Inspection Type (Activity Based) Used to identify the reason or purpose for the inspection.</p>	<ul style="list-style-type: none"> • Annual – Inspections performed twice per year on all active wells within the City of Denton’s Situs/Jurisdiction • Spot Check – Inspections conducted outside the Annual inspections. Location impacts are used to aide in prioritizing frequency of inspections • Vendor Spot Check – Inspections performed by a Contract company • Plugging – Inspections performed during the plugging of a well and restoration • Workover – Inspections performed during workover activity, including a post workover inspection • Complaint – An inspection performed in response to a complaint • Pre-Drilling – An initial inspection performed prior to Spud • Drilling – An initial inspection performed during Drilling • Completions – An initial inspection performed during the completion phase of the well development • Flowback – An initial inspection performed during the Flowback phase of the well development • First Sales – An initial inspection performed at the time of the well’s first delivery
<p>Inspected By</p>	<ul style="list-style-type: none"> • GWID-CoD – City of Denton Gas Well Inspections Division • MGS – Modern Geoscience, an independent contractor
