POLICY STATEMENT

The City of Denton acknowledges that all individuals have the right to participate fully in City programming, activities, and use of City facilities free from bullying and harassment. Bullying and harassment, like other harmful or violent behaviors, are forms of conduct that disrupt both a person’s ability to engage in development opportunities and the City’s ability to deliver services in a safe environment.

The City of Denton prohibits bullying as defined in this policy against any individual on the basis of race, color, religion, gender, sexual orientation, gender identity, age, disability status, national origin, genetics, or any protected classification under Federal or state law.

This policy is applicable to all individuals participating in City programs and activities and covers conduct that takes place in City facilities and on City property. This policy also pertains to usage of electronic technology and electronic communication that is used for bullying or harassment (i.e. cyber-bullying).

DEFINITIONS

“Bullying,” as described by the American Psychological Association, is a type of aggressive behavior where someone causes injury or discomfort intentionally and repeatedly to another person. We further define bullying as written, verbal, or physical conduct that adversely affects the ability of one or more person(s) to participate in or benefit from the City’s programs or activities by placing the individual in reasonable fear of physical or emotional harm. This includes conduct that is based on an individual’s actual or perceived race, color, national origin, sex, disability, sexual orientation, gender identity, religion, or any other distinguishing characteristics that may be defined by the City of Denton. This also includes association with a person or group with one or more of the above-mentioned characteristics, whether actual or perceived. Any use of electronic communication technology to bully or harass as defined in this policy is also prohibited under this policy.

“Harassment” means unwelcome conduct that is based on race, color, religion, gender, sexual orientation, gender identity, age, disability status, national origin, genetics, or any protected classification under Federal or state law and the conduct is severe or pervasive enough to create an environment that a reasonable person would consider intimidating, hostile, or abusive.

E. Any act or event involving potential criminal activity may be reported to the Denton Police Department or other law enforcement agencies as applicable.
