*Occupancies listed are based on all rooms, common spaces, patios and other occupiable areas within a facility. Each individual room and common space has its own occupancy limit, at no time may any individual room or common space within a facility exceed 25% of its respective occupancy limit.

Occupancy totals are calculated by the Chief/Deputy Building Official in accordance with Chapter 10, Section 1004 of the 2012 International Building Code. The 2012 International Building Code was adopted by City Council through Ordinance 2015-199.

Under Executive Order GA-18, establishments classified as bars are not authorized to re-open.
