

Oak Gateway Area Plan

WELCOME TO THE

COMMUNITY WORKSHOP

»————«

TONIGHT, WE INVITE YOU TO EXPLORE....

- ① mobility improvements for users of all modes in the study area - automobiles, pedestrians, bicyclists, and transit
- ② parking enhancements for the entire study area
- ③ the three sub-areas identified in the study area, and their defining characteristics
- ④ infill, growth, and housing solutions for each of the three sub-areas
- ⑤ strategies for improvements along major corridors throughout the study area

SHARE YOUR FEEDBACK!

WRITE YOUR COMMENTS ON A COMMENT CARD! Tell us your preferences and any general comments you may have!

MARK THE MAPS! Feel free to write or draw on the maps at each station to give us more specific feedback.
