I, (print name) _____, am making application for a construction permit. I understand that any work performed on systems prior to the approval and release of a permit or placing a system into service prior to final inspection may be subject to a "work without a permit" citation resulting in a fine not to exceed \$2,000.00. I also understand that any changes made to the submitted application and accompanying documents without prior approval from the Fire Marshal's Office may result in failed inspections, termination of permit application, additional fees, and/or citations assessed in accordance with the City of Denton Codes and Ordinances.
