**Inclement Weather Plan for Homeless Shelter and Expanded Services
Denton, TX**

SUMMER 2021: When measures of extreme temperatures are reached or when other severe weather conditions take place public facilities, service provider locations, and emergency shelters are available for those living without a cool, dry, and safe place to escape the weather extremes.

From June 2021 through September 2021 extreme temperature will be defined as:

- Any day when the temperature high is forecast to exceed 100 degrees, or
- Any City declared emergency for weather conditions such as Severe Flooding, etc.

City of Denton Public Facilities – When extreme temperatures are forecast, facilities listed below will be open and accessible as Inclement Weather Cooling Stations. City facilities are air-conditioned with public access to restrooms, water fountains, and sitting areas during normal operating hours.

Find Help! Call 211 or (940) 566-2688.

DON'T WAIT FOR SEVERE WEATHER TO START HELPING!

Outreach providers need gear they can pass out, so folks outside are ready for the summer heat, and to have in reserve during an emergency. Having the right gear staged in the right places before a crisis will help provider's better focus on direct services and life-saving efforts in the moment. Summer needed items include: **water, reusable water bottles, wet wipes, sunscreen, socks, and rain ponchos.**
