Mr. Robin Paulsgrove
Fire Chief of Denton
332 East Hickory
Denton, Texas 76201

Place Code: Denton: 12121

Dear Mr. Paulsgrove:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification is a Class 3/10.

Insurance Services Office is recommending that the classification be changed to a split Class 2/10, with an effective date of 12/01/2017. The recommendation is based on a review of your community performed on 04/17/2017 and does include application of the Addendum to the Fire Suppression Rating Schedule.

With a split **Class 2/10**, all class-rated properties located within 5 miles of a fire station will use **Class 2**. All class-rated properties located farther than 5 miles of a fire station will use **Class 10**.

Public Protection Classifications range from 1 (best) to 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating point totals for the major areas associated with the review. The Insurance Services Office will be notified of our approval of their recommendation and the 12/01/2017 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 676-6784.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.

Sincerely,

Jesse James Williams
Deputy State Fire Marshal
